ELECTORAL COLLEGE EXPOSED: NOW VS. HOW FOUNDERS WANTED IT (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Tired of having to choose between only two choices? Electoral College was supposed to give you more choices if it worked the way the Founders had wanted it to. Dissatisfied about the establishment and the fact that your vote might go to waste in our bipartisan politics? Those could have been prevented. Electoral College now is not what the Founding Fathers had intended it to be. Informative, objective, and thought-provoking, Electoral College Exposed stays true to the U.S. Constitution and the Federalist Papers and reveals what the Government had stolen from the People of America. In this book, T.H. Riddle writes about how we must change the current election process and why the Electoral College needs to become independent. Diving into the founding documents of the United States, and the writings of patriotic Founders, Federalists and Anti-Federalists, Electoral College Exposed pushes for reforms of the American representation systems, explains how to limit the power of the establishment, recalls the rights given to the People, and discusses everything you need to know about the legislative branch, the Electoral College, and the presidential election in the United States of America as the Founding Fathers had envisioned. Hit #1 bestseller, Dec 2016, within two weeks of release Ranked #1 Hot New Release, Dec 2016, within three days of release.
