Reviews

This is actually the best book i actually have go through right up until now. It generally will not price an excessive amount of. I discovered this book from my dad and i suggested this book to understand.
(Norma Carroll)

TYNK ! FOR YOUNG READERS

Createspace, United States, 2011. Paperback. Book Condition: New. Sarah Star (illustrator). Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Course language and inappropriate situations have been deleted for young and sensitive readers. Many years ago, a book of fiction was written by a man named Barrie. Many, in fact most, of those who know the story of Peter Pan, Tinker Bell, Wendy, Hook and the Lost Boys in Neverland have not read this novel. They have probably seen the bastardization of the Barrie story by Disney or seen a similar concoction performed live or on television. It s a shame is all. The Barrie story is dark and creepy. In just the the first few pages Barrie talks of Wendy s mother drawing pictures of babies with no faces. He recounts of how the parents of Michael and John added up the expenses of each newborn to see if they would keep them. He even hinted that Wendy s mother had actually known Peter Pan as a child. Barrie wrote she just remembered a Peter Pan who was said to live with the fairies. There were odd stories about him, as that when children died he went part of the way with them, so that they should not be frightened. She had believed in him at the time, but now that she was married and full of sense she quite doubted whether he was real. He describes Neverland as an alternate universe which is exactly what it is. He describes it: Neverland is always more or less an island, with astonishing splashes of colour here and there, and coral reefs and rakish-looking craft in the offing, and savages and lonely lairs, and gnomes who are mostly tailors, and caves through which a...
