Carla Moquin, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Written by the president of the Parenting in the Workplace Institute, this is the definitive guide to proposing and implementing a business program in which parents can bring their babies to work for the first several months of life and care for their babies while doing their jobs. The book utilizes data and best practices from more than 115 organizations that have hosted more than 1,300 babies to date, and it provides an easy-to-follow process to enable you to make your own company more baby-friendly. Testimonial: I think your books are wonderful and, as far as I m aware, utterly unique. I will include Babies Work in my recommended readings in my keynotes.
