Xulon Press, United States, 2008. Paperback. Book Condition: New. 198 x 122 mm. Language: English . Brand New Book ***** Print on Demand *****. Pragmatism vs. Accountability In my search for a more correct perception or reason, I have discovered I must be an example of reason. Clarity of purpose and understanding humility has given me the opportunity to see myself for what I am. Honestly there were things about me I wanted to change, but I didnt have the will or courage to see it thru. Then one day I committed a random act of kindness and change seemed so easy, even I could do it. By uprooting my self-absorbed nature and seeking a balance of reasoning that justifies accountability in my life has helped me see clearly that we all reap what we sow. Clarity has helped me search for what I need in life, which is peace within. What better way to answer the ultimate question in life, will God say I have used my time here on earth wisely, will God say well done? You have fought a good fight. You have struggled in your quest to find reason. You have found your way home.
