Penguin Press, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Publishers Weekly (starred): "Klay grasps both tough-guy characterization and life spent in the field, yet he also mines the struggle of soldiers to be emotionally freed from the images they can't stop seeing. It's clear that Klay, himself a veteran of the U.S. Marine Corps who served in Iraq, has parlayed his insider's knowledge of soldier-bonding and emotional scarring into a collection that proves a powerful statement on the nature of war, violence, and the nuances of human nature." Kirkus Reviews (starred): "A sharp set of stories.Klay's grasp of bureaucracy and bitter irony here rivals Joseph Heller and George Orwell.A no-nonsense and informed reckoning with combat." Barbara Hoffert, Library Journal : "Important reading; pay attention." Lawrence Rungren, Library Journal : "Harrowing at times and blackly comic at others, the author's first collection could become for the Iraq and Afghanistan conflicts what Tim O'Brien's The Things They Carried is for the Vietnam War." Ben Fountain, author of Billy Lynn's Long Halftime Walk : "If you want to know the real cost of war for those who do the fighting, read Redeployment . These stories say it all, with an eloquence and rare humanity that will simultaneously break your heart and give you reasons to hope." Nathan Englander, author of What We Talk About When We Talk About Anne Frank : "As we try to understand the human costs of yet another foreign conflict, Phil Klay brings us the stories of the American combatants, told in a distinct, new, and powerful voice." Karen Russell, author of Swamplandia! : " Redeployment is a stunning, upsetting, urgently necessary book about the impact of the Iraq war on both soldiers and civilians. Klay's writing is searing and powerful,...
