I receive messages shown to me through names, numbers, friends, books, etc. Many of my profound true life experiences are miraculous. As a psychic many of my predictions described in the book were intriguing and accurate. In the Titanic Connection Story, it describes many similarities of my life that correspond with a passenger on the Titanic named Madeleine Force Astor. I believe I could have been her in a past life. This story is truly amazing. Other true life stories describe Angel encounters, My Wishes Granted, A Twilight Zone Effect, Nature, communication with deceased loved ones, plane crash predictions, past lives, New Heaven and Earth and more. My goal is to make everyone become awake and aware of their lives. By living pure spirit our dreams will come true.
