

Dragon Master: A Poetic Short Play by (Paperback)

By Doug Moody

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Dragon Master is a poetic short play by Doug Moody, the undisputed bard of Australasia. Originally written as a pantomime in the 1970s, the script was lost but the songs and wise words of the Oracle lingered in Doug s memory. This majestic play has evolved from that original concept, it evokes fairytale like qualities as a young peasant boy turns to the dark side with the aid of an old gypsy crone in order that he can fulfill his heart s desire. Yes his heart is filled with passion, love for forbidden fruit, the beautiful Princess of the kingdom in which he is no more than a commoner. Will the King live to regret his decision to forbid the love his daughter feels for this urchin? Will the love that binds reign supreme? Or will a vile pox descend on all and sundry?.

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
