Storm Sullivans life has changed more drastically than she could ever imagine. Married to an Immortal, mastering her unpredictable powers, and waiting for the onslaught of supernatural attacks, Storm has her hands full. Still, she truly wants to help Lucian, free him from the curse hes carried for centuries and of course, find love. Lucian has not been completely honest with his friends about why he showed up when he did, or why he chose to stay. There is a lot he has not told them. Not about his personal mission against the witches, not about the depth of his burden, certainly not about Sophia Bedeaux. Everything comes to a head when Lucians past collides with his present and threatens all he has come to care for. If he can manage to trust in the power of the Emerald, Lucian could find his way out of the curse and back to the only woman he could ever love. This item ships from La Vergne, TN. Paperback.
