Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

CAN YOU HEAR HIS WHISPER

Tate Publishing. Paperback. Book Condition: New. Paperback. 72 pages. Dimensions: 6.8in. x 4.8in. x 0.3in. This book will make you realize that hearing God's voice can be possible. It compiles inspirational messages and biblical quotes and, most importantly, the random instances wherein Deborah Turley had her personal conversations with God himself. She was reluctant at first, just like you probably are, but when she chose to believe and listen, everything in her life fell into place. Allow God to penetrate into your soul. He is always with us, but not many of us have felt His presence. This book will draw you closer to Him despite your busy schedule. Most of us are hooked to our worldly desires, and little of our time is spent thinking about God. He is waiting for you. You just have to listen. Will you let him love you? You have nothing to lose, so give him a chance. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
