Balboa Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The best gift we can give to our children is to grow and learn how to go beyond our ego's limits, opening our hearts and minds. This book was created to empower parents to change and awaken their inner loving parent so they can offer their children unconditional acceptance and loving guidance while setting limits gently and skillfully. We hope this guide will help parents to find balance and cultivate mindful awareness while raising children in the hyperactive culture of the twenty-first century. A concise, practical, wise, and modern guide for raising children--for busy, intelligent parents. A book written with a compassionate heart and a mind that digested and integrated the lifelong experiences of personal development and helping others. Reading the book, we go through a thoughtful, brief, and useful course in psychology and belief therapy. Liberating and revealing for parents, and beneficial for their children. I wholeheartedly recommend this book. --Wojciech Eichelberger, author of A Woman without Blame and Shame, Alchemy of the Alchemist, and many more.
