HOME TO OHIO, REVISED EDITION

Peddlers Group, United States, 2010. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.There was just something about small town America in the 1960 s, especially Ohio farm country, that made one proud to have grown up there. Clean air, close knit families with happy kids and unwavering pride in the community. Everyone knew everyone, never hesitated to help a neighbor in need and no one bothered to lock their doors at night. All that changed, at least for a while, in the spring of 1968. Ellen Richardson, a former classmate of the sole survivor, never understood why so little had been done to find the killer. Returning to her childhood home thirty years later for a high school reunion, she s reminded of the same unsettling questions that had nagged her at the time and were never answered. While looking through some old papers in the local library, she runs across an article that brings the whole story flooding back. Her curiosity piqued, she hunts for more information. Questioning local authorities only leads to frustration. They refuse to answer Ellen s questions, and vehemently...
