Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Want to be seen as a good manager? Like the idea of being able to get the best from those you manage? Looking to create a positive working environment? If you manage teams and want to ensure you get the best performance from your team, then this book is for you. This book is adapted from a training course from a successful UK based training company. It combines five smaller individual management books by the same author. What will I learn? Managing Teams - How to adapt your management style to suit the situation. - A model to help you identify the psychological make-up of each team member. - A working knowledge of how to manage the different psychological profiles in order to create a team that consistently pulls together. - An understanding of the natural roles your team members take and how to use this to develop a dynamic team. - How to use Emotional Intelligence to lead your team and increase their performance. - An understanding of the factors that lead to success and derailment in executives. Providing Feedback - How to reduce the psychological effects of negative feedback - How to ensure your feedback encourages feelings of achievement and challenge, rather than deflation. - How to balance positive and negative feedback - How to ensure feedback leads to higher goals. - An understanding of the different types of rewards organisations provide to employees. - An understanding of how different rewards impact on individual and team motivation. - How to increase motivation without monetary rewards. Coaching Skills - A step by step guide on how to coach your team members - Questions to...
