Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After nearly 30 years in the financial services industry as an insurance agent, registered representative and disability adjudicator, and nearly 30 years of ministry to individuals and families as a pastor, church planter and minister, Adrian Powell has found that for most people, after all has been said and done about changing their financial life, more is said than done. The principles and truths that he has worked with for years in ministry are also useful in dealing with the financial services that individuals and families need in order to get a handle on their finances. Some people have a vague idea of what they want to do to be successful. Some people have no clue. Most people want help in knowing what questions to ask and how to make the right decision for their financial lives. This book will open many eyes to dealing with what needs to be done to take control of your financial life. A writer, speaker, pastor and teacher, Adrian has been able to work with individuals, couples and companies to change their financial future and enable many to move forward in a way that allows for a much more productive and positive future. Many individuals and families will benefit from the advice in these pages with a different way of looking at ideas that have been popularized in the media. Often, there are several ways of looking at the same problem. The problem comes with the solution to the problem. Just as a lack of information can lead to a faulty diagnosis, so too can the wrong financial diagnosis give cause for an incorrect solution to a family financial issue. Every individual and family can take advantage...
