## THE CURSE OF CONSERVATISM

[DOWNLOAD](#)

Coleman Luck. Paperback. Book Condition: New. Paperback. 92 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. 2000 years ago Jesus Christ said that His Kingdom was not of this world. His followers have been trying to prove Him wrong ever since. During the past 40 years, the evangelical Christian Church in America has undergone a transformation. In an attempt to reshape the country in order to restore a moral, Biblically-based foundation, conservative theology has been married to conservative political thought. For many people, to be a social conservative Republican and a conservative evangelical Christian mean the same thing. Has this transformation been positive or has it been a lethal form of syncretism? As an evangelical Christian since childhood, Coleman Luck has been raised in the church. He studied the Bible at the Moody Bible Institute in Chicago, where his father, the late Dr. G. Coleman Luck, was a professor. However, a few years later, Coleman's life took an unexpected turn. After doing graduate study at USC, he entered the entertainment industry of Hollywood as a writer. A few years later he became a television producer and the Showrunner of the hit television series of the late 1980s, *The Equalizer*. Coleman has had a unique vantage point from which to view the cultural and political wars of the last decades. It is from this double perspective, as both an evangelical Christian and a long-term member of the Hollywood community, that Coleman has written *The Curse of Conservatism*. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
