One does not have to search long to find some of these mysteries. Ancient Egypt is often thought of as one of the most arcane of all civilizations with many aspects of its culture that are only now coming to light. For instance, the hieroglyphic script was not deciphered until the 19th century and to date scholars are still unsure about the details concerning how the pyramids were built or how mummies were made since there are no extant ancient guidebooks of either. In the New World, the sudden decline of the Mayan culture has captured the imagination of many for generations as the Maya left no records detailing their downfall. Likewise, the oldest European culture to reach the status of civilization - the Minoans - remains a mystery to the modern world in many ways. Nearly 2,500 years after the Golden Age of Athens, people across the world today continue to be fascinated by the Ancient Greeks, but the Greeks looked up to the Minoans. In Homer's Odyssey, Odysseus makes note of a great town there, Knossos, where Minos reigned. It was perhaps the earliest reference to the Minoan civilization, a mysterious ancient civilization that historians and archaeologists still puzzle over, but a civilization that renowned historian Will Durant described as the first link in the European chain. Nearly 2,000 years before Homer wrote his epic poems, the Minoan civilization was centered on the island of Crete, a location that required the Minoans to...
