Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Money Management made easy There are many different investment opportunities out there that you can choose. You can choose to go into real estate and work with selling or flipping houses or even renting them. Some people like the idea of starting their own business and doing a job they love. Some like to keep things safe and will put their money into a retirement plan with the hopes that it will grow and give them a comfortable life later on. And others like to get into the stock market and really see the money grow. Real estate is one of the most time tested of all the possible investment opportunities, having existed practically for as long as humans have built permanent structures and had a concept of land ownership. What s more, it is one of the core types of asset that any investor, regardless if they are just starting out, or simply looking to diversify should consider adding to their portfolio. It offers unique diversification, net worth, profitability, liquidity and cash flow benefits that ensure it is practically always a reliable choice. Are you wondering how you can turn your retirement funds into financial stability? This book bundle is going to teach you beginning stock information to help you achieve financial freedom. As a beginner s book, it takes a look at easy topics you can learn quickly and start applying to your trading system. It is not meant for the advanced investor, who has already been trading for several years and is ready to move up in their trading plan. There will be plenty for you to learn after you have read this book, the aim is to ensure...
