Random House USA Inc, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. A macabre mash-up of the children s classic Pat the Bunny and the present-day zombie phenomenon, with the tactile features of the original book revoltingly re-imagined for an adult audience. In the hemorrhagic vein of other zombie parodies, Pat the Zombie presents trusting toddler Judy playing peek-a-boo with a putrefying Paul. Grownup fans of Pat the Bunny (seven million of them) will find their favorite touch-and-feel features disturbingly re-created: Judy reaches for Zombie s decaying jaw instead of daddy s cheek; Paul caresses Mummy s empty eye socket instead of her wedding ring. Ximm s twisted wit, Soofi s sick artistic sensibility, and clever packaging that mimics the original book will bring the undead lurchingly to life in this camp popculture romp.
