The American University in Cairo Press, Egypt, 2013. Paperback. Book Condition: New. Bilingual. 228 x 150 mm. Language: English . Brand New Book. This grammar book is intended for intermediate learners of Modern Standard Arabic. It covers the main points that they need to master at this level to prepare them for the next level of proficiency. Each lesson in the book begins with a brief statement and explanation of a grammar rule followed by different types of exercises. The exercise section of the lessons begins with mechanical drills (some of which have illustrations) for practice of the grammar point of the lesson. At the end, there are writing exercises that enable learners to produce the language freely while still requiring them to use the lesson s grammar. The book is accompanied by a CD with PowerPoint presentations illustrating the grammar rules explained in the lessons, and interactive drills. This very practical textbook provides a fine, flexible tool for a grammar-based approach to teaching MSA.
