

Short Stories of The Great Seaport short stories for recreation,comprehension lessons, worksheets, projects activities

By chrystolive Prince

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 122 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Read Short Stories of the Great Seaport as an enjoyable recreational book or read it to learn more of the functions of a Great Seaport. You may study it as a textbook either as a strong text for various components of Language Arts or for some highlights in Geography, History, or tidbits of related Civics. The book could be further employed as an excellent help in designing, planning and successfully executing productive field trips particularly to an important geographical landmark such as a seaport and the related surrounding region. Each of the segmented short stories is followed by no less than ten comprehension questions (with those of the fifth and sixth stories merged). These questions are well designed not only to gauge the readers level of understanding of the text, but also to further activate critical thinking, interactive deliberations on the various issues raised, as well as creative writing, comprehension answers, accurate and precise summaries and short essays. The Short Stories of The Great Seaport also incorporates various interactive projects which are specially carved to assist the interested...
