

Daughter of the King: Growing Up in Gangland

Filesize: 3.23 MB

Reviews

Excellent e-book and useful one. It is written in straightforward phrases rather than confusing. I am just very happy to explain how here is the finest publication I have got read through in my very own lifestyle and might be the greatest book for possibly.

Tantor Media, Inc, United States, 2014. CD-Audio. Condition: New. Unabridged edition. Language: English . Brand New. In this tell-all memoir, the only daughter of the man who was considered the brains of the Mob opens the door on her glamorous-and tragic-life. Sandi Lansky Lombardo, daughter of Mob boss Meyer Lansky, was raised in New York City in upper-class Jewish splendor and spent her childhood in the undeniable glitz of Havana and Las Vegas in Lansky s heyday in the 1940s, 50s, and 60s. She dined out with her father and his associates when she was six and was introduced to Frank Sinatra when she was eleven. She knew Bugsy Siegel and Uncle Lucky Luciano and met Howard Hughes and Joseph Kennedy. She was the Paris Hilton of her day: partying until dawn at El Morocco and the Stork Club, married at sixteen, romanced by Dean Martin at nineteen. She was pampered and protected, but her life was also full of tragedy: her mother was mentally ill and her eldest brother severely handicapped, and Mob violence repeatedly invaded the world of their friends and family. In Daughter of the King, Sandi recounts for the first time the grandeur-and heartbreak-of her life as the daughter of one of the most powerful mobsters in America. Sandi takes listeners back in time to tell the story of her life-one lived in a glamorous but troubled world where nothing ever turned out to be quite as it seemed.
