Random House USA Inc, United States, 1999. Paperback. Book Condition: New. New edition. 175 x 104 mm. Language: English . Brand New Book. A WORD FROM LOUIS L AMOUR Almost forty years ago, when my fiction was being published exclusively in pulp western magazines, I wrote several novel-length stories, which my editors called magazine novels. In creating them, I became so involved with my characters that their lives were still as much a part of me as I was of them long after the issues in which they appeared became collector s items. Pleased as I was about how I brought the characters and their adventures to life in the pages of the magazines, I still wanted the reader to know more about my people and why they did what they did. So, over the years, I revised and expanded these magazine works into fuller-length novels that I published in paperback under other titles. These particular early magazine versions of my books have long been a source of great speculation and curiosity among many of my readers, so much so of late, that I m now pleased to collect three of them in book form for the first time. I hope you enjoy them.
