WHEN YOU RE LIVING ON YOUR KNEES, RISE UP!: BLANK JOURNAL INSPIRATIONAL BOOK (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is perfect for friends and relatives who are experiencing the many challenging transitions of life, those who have been knocked down and need to be reminded to stand tall, including students, graduates, those employed and unemployed, husbands and wives, retirees, and athletes. We are reminded that when the fragmenting effects of pressure and stress seem relentless, set achievable goals, persevere and maintain a purpose in spite of the difficulty, even when you don t know if you will triumph. The interior pages alternate between lined and blank - with no text at all. Not only does it make a great coffee table book and conversational piece, but its pages can be used as a diary of milestones, a record of special memories, a place for random sketches and diagrams, a very long bucket list, a notebook for tips and tricks, or all of the above. Make the gift even more special by writing a note or two of your own and tucking a little cash or a gift certificate into the folds. The perfect gift for fans of musical theater, the Tony Awards, the Broadway musical, Hamilton, Lin Manuel-Miranda and his work, and fellow thespians. It is the third song from Act 1 of the Broadway musical, Hamilton. In the song, Alexander Hamilton speaks about his hopes for the future, his disillusionment with the British, and his desire to be remembered, even if it means dying. Other revolutionaries chime in about their reservations and hopes for the future, as Hamilton encourages...
