**BOUNDLESS PLAINS TO SHARE?: AUSTRALIA, JESUS AND REFUGEES (PAPERBACK)**

JUST CAUSE, United States, 2017. Paperback. Condition: New. 2nd. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Australia is a swirling mass of contradiction, fear and hope when it comes to refugees. It begins with the experiences of refugees, listening to their stories. From there the argument moves to the global picture, exploring the shape of the refugee crisis and why the international protection system is failing to deliver. This provides the necessary framework to understand Australia's place in the crisis, which is explored in chapter 3, tracing the evolution of Australia's response to asylum seekers that arrive by boat from a stance of protecting refugees from those they are fleeing to a position of Australians protecting themselves from the refugees who...
