David Wang, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In recent years, the number of students who struggle or fail in their first year of university has climbed. Professor David Wang uses his varied background as an educator, researcher, coach, musician and father of nine to give useful advice to help the stressed-out freshman navigate the transition from secondary school to successful undergrad! From putting setbacks into perspective to increasing work ethic (grit) to practical hints for study effectiveness, this book is full of suggestions and stories to inspire the student. This is a highly recommended book for in-coming first year students as well as for parents who are concerned about the transition from high school to university.
