GARDEN OF WRATH

Believing Magic Books, United States, 2014. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is 366 real print pages 138,000 words. It is Saturday, the sixth of August, 2016. Within the walls of Amen Hale it is the fourth day of the Kingdom That Has Come, and it may also be the last. A curse is coming. A horrible curse. A security video from the Monday night Lammas celebration at Amen Hale showing a young girl lighting a black candle by unnatural means, who afterwards names herself as a Black Witch and a shedder of innocent blood has been stolen. The video, edited and twisted into a monstrous thing, becomes an internet sensation and a call for witches and pagans everywhere to unit for a common purpose: to join forces and cast their deadliest spells and vilest curses this Saturday at the Black Witch and her Coven. The viral video is watched by wide-eyed fearful people in every nation. The Pope, by odd coincidence, declares this same day, Saturday the sixth of August, a day of fasting and prayer for all Christian peoples to beg the righteous judgement of God to fall upon the wicked. Protestants, evangelicals, Muslims, Hindus, and other religious people around the world have joined this movement. Millions of sincere, believing people pray fervently this day for death and destruction. If there is a God in Heaven above, how could He not hear? If there is a Devil in Hell below, how could he not answer? Garden of Wrath is the fourth book in the Believing Magic Series.
