

## Precision Trading Techniques: Strategies for Combining Price, Volume, Time, Velocity

By David S. Nassar

John Wiley Sons Inc, United States, 2003. Digital. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Run time: 90 minutes. Go beyond the basic chart patterns technical traders use to precisely time entry and exit moves. Discover the power of Foundational Analysis with trading coach and author, David S. Nassar. His four-step approach takes you past price-oriented technical analysis - and introduces a new way to look at the dynamics of price movement by collectively analyzing the Four Foundations. This concept is so powerful, and so reliable; David frequently demonstrates it live in front of audiences - trading his very OWN account with it. Now, Nassar s new video workshop outlines his Foundational approach to the markets in easy-to-follow detail. He takes the 4 key elements driving market movement - price, time, volume and velocity - and lays out a program showing why each is important and why, when combined together, they provide powerful signals that allow you to time your market moves with increased precision. There is a structure and a form to trading patterns, Nassar contends, and this...
