

Software Engineering Design Knowledge Areas: Volume 2: The Engineering of Software Projects (Paperback)

By Dr Richard Hall Thayer

Software Management Training, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book serves four separate but connected audiences: (1) This book expands on the software engineering outline expressed in SWEBOK, Version 3.0, i.e., to provide the meat-on-the-bones where SWEBOK is the bones. (2) When used as a software engineering tutorial, it can be used to provide a detailed software engineering education to university-level software engineering students. (3) When used as a software engineering study guide, this document can impart software engineering knowledge to assist practicing software engineers to take and pass the new IEEE Professional Software Engineering Master (PSEM) Certification exams. (4) When used as a software engineering overview, this book can be referenced by journeyman programmers to improve their background and understanding of software engineering fundamentals. This book will provide a comprehensive overview of software engineering knowledge and skills necessary for a well-qualified programmer to become an entry level software engineer.

Reviews

The best pdf i possibly go through. it was writtern quite properly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Miss Sienna Fay Jr.

Undoubtedly, this is actually the greatest job by any author. This can be for those who statte there was not a worthy of studying. I am delighted to inform you that this is actually the greatest publication i actually have read within my very own daily life and could be he greatest book for ever.
