In this third book of the Victoria Thornton series, Victoria and Rafael spend a fabulous wedding night aboard the Queen Mary, but must delay a real honeymoon trip for a few weeks because of all the chaos going on around them. They also need to make quick trip to Seattle to move Victoria's things back to LA, and for her to let her employer know she won't be back. Victoria will learn the truth about her father's death, she will begin to learn about the business she has inherited, and have her parents home robbed of treasured family heirlooms. They will enjoy a month-long wedding trip that covers four states, but it will be interrupted twice with more traumatic events. Rafael and Victoria set about on a mission to find a new home, one where the two of them can begin their new life together without any of the past to haunt them, as it does while they are living in Victoria's childhood home. You will learn the unexpected twist that becomes Victoria's unplanned revenge. Journey along as the Riveras discover new and deeper facets of their love for one another and weather the storms of life that seek to destroy, but only serve to strengthen their love.
