KIDS AND THE SINGLE MOM: A REAL-WORLD GUIDE TO EFFECTIVE PARENTING (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The last thing single moms need is another book heavy on theory and light on practice. They need practical, real-world guidance from an insider, from one who has been there in the trenches and foxholes of single parenting and not only lived to tell about it but delights in sharing in a candid, down-to-earth manner the great challenges she has faced and the abundant wisdom God has given her to meet them. Thoroughly grounded in the timeless principles of God s word and in touch with the challenges of today s single moms, Kids and the Single Mom is a wonderful resource for single moms studying in small groups (includes integrated leader s guide) or individually.
