The Inductive Interference Committee is hard at work on problems which are of vital interest to central stations and the signal companies. The Association will be represented at the next meeting of the Railway Commissioners, and National Headquarters of the N.E.L.A. has undertaken to assist Wurtele, Southern Canada Power Co., Montreal, this Committee, through the Engineering DepartQuebec. ment. The advertising program, including the use of motion picture films, is being outlined by the Public Relations Section. This section also is considering the advisability of organizing a Women s Committee to assist in the work among women employed in the industry and also in public good-will work. All details in connection with the Association Resuscitation Medal have been worked out by the Accident Prevention Committee. As soon as the first medal has been struck, details of the plan will be published. This Committee recently has secured the release by the Ontario Government of a film demonstrating the Prone Pressure Method of Resuscitation. During the week of November 21st the Membership Committee carried on a campaign and was very successful in securing new members. Signatures are rapidly being secured to the memorial to the executive of the Association of Municipal Electrical Utilities of Ontario for the extension of the seal period of meters. This memorial will be filed at Ottawa and it is understood that the extension of the seal period is practically assured. One of the new committees this year is the...
