Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A collection of short independent stories/ skits as part of a very dark satirical madhouse, stories within are zany, violent, deranged, goofy, profane, and completely devoid of political correctness. some stories are about mad truck drivers throwing poop around like meth crazed monkeys, one about a school of dark magic that teaches you how to fill people with helium and raise the dead while drunk, the action sequences are quite interesting which include a variety of weapons ranging from 17th century broadswords to modern AR 15 s. These stories will cause many to feel powerful mixed emotions usually shock followed by laughter or sometimes simultaneously, No real main character, but two characters that pop up alot are Bubba Floyd, a rowdy, tobacco chewing, redneck ass hole, and Silus McClaren, a sadistic but likeable combatant/ fallen angel / pyromancer who goes around fighting, drinking, and flaying his way through some of the chapters. You will never see a work like this again, its a once in a lifetime opportunity to view something truly different and peculiar, if you dare.
