Often all we need is a new perspective. Sometimes our unconscious knows the answer but we can't access it easily. Tarot cards are a way of accessing our personal intuition and can often provide objective, visual and tangible advice. The pictures on the cards speak to every human, no matter their country or language. The cards have no agenda. They are free of any attachments or previous prejudices. They are innocuous and clean, ready for you to use in whatever way works for you as long as you stay mindful and handle them with love in your heart.
