

## The Complete Guide to Childrens Drawings

By Michal Wimmer

Createspace. Paperback. Condition: New. This item is printed on demand. 272 pages. This useful book covers a wide range of subjects in childrens lives as articulated in their drawings. It presents cases of children and adolescents coping with a variety of clinical issues and life challenges using interpretations of their drawings. Clinicians, educators and parents will find it helpful for understanding childrens strengths and weaknesses and the reasons for their behaviors. It will also contribute to their ability to initiate fruitful emotional dialog, based on specific insights from the drawings. The knowledge in this book is based on extensive psychological studies and innovative independent research and is accompanied by more than 250 colorful, real-life examples of childrens drawings. Based on her clinical experience, Wimmer offers more than 100 effective coping tools and solutions inspired by these drawings, which may be used to enhance childrens self-confidence and family relationships. This item ships from La Vergne,TN. Paperback.

### Reviews

*Thorough guide! Its this sort of excellent read. It is really simplified but unexpected situations in the 50 % in the book. You are going to like just how the blogger create this publication.*
