SCIENCE OF MYTHS AND VICE VERSA (PAPERBACK)

Prickly Paradigm Press, LLC, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. We often assume that science and myth stand in opposition--with science providing empirically supported truths that replace the false ideas found in traditional mythologies. But the rhetoric of contemporary popular science and related genres tells a different story about what contemporary readers really want from science. In *The Science of Myths and Vice Versa*, Gregory Schrempp offers four provocative vignettes that bring copious amounts...

Reviews

It is great and fantastic. Better than never, though I am quite late in starting to read this one. It has been written in an extremely simple way and is particularly only right after I finished reading this ebook where it actually changed me, affected the way I really believe.
