Brand New Book ***** Print on Demand *****.During a debate concerning intelligent design theory, an unidentified woman lamented, I m facing chaos everywhere I look. I want to go to a church where they re going to tell me what s right, what s wrong, and there s no in between. Because moral discernment is difficult, Christians often abdicate their ethical positions to the authoritarian dictates of their faith tradition. Such a response raises a host of morally pertinent questions: * Do we have a moral responsibility to make our own ethical decisions? * If we decide to abdicate all moral decisions to others, are we in some way rejecting our God-given gift of reason? * Can we rest assured that God will accept, I did what they told me to do, as justification for our ethical behaviors? * If not, then how do we decide what is right and what is wrong? Where Christ Presides: A Quaker Perspective on Moral Discernment presents a guide for readers to examine their own method of moral discernment within a Christ-centered continuum of moral development. It encourages...
