While the pace of a serialized novel is very different than a traditional novelthink of it more like a television series than anything elseI love the swashbuckling, friendship, and bitter sweetness that characterizes that novel. Luckily, it has sequels. The most famous is The Man in the Iron Mask, which is actually just part of the third installment in The DArtagnan Romances, but the true sequel is Twenty Years After. And I have to read series in order, which brings us to this novel. Twenty Years After picks up, well, twenty years after the events of The Three Musketeers. The four friends have gone their separate ways, but their chosen paths havent worked out the way they thoughtDArtagnan is still just a lieutenant in the musketeers, Porthos fantastic estate is a little sour without the actual aristocracy, Aramis finds he wants exactly what he used to have now that hes an abbe, and only Athos is actually satisfied with his lot, which includes his adopted son, Raoul. But when revolt and civil war threaten Paris, the Queen and Cardinal Mazarin (Richelieus successor) summon the four once more in action, but the four musketeers, now politically divided, find themselves in more danger than could ever be imagined. Oh, Dumas, I love you, but your pacing well, let me be fair. The DArtagnan Romances are enormous books; the third installment, The Vicomte of Bragelonne, is so huge that its usually published in at least three different volumes (hence the ability to read just The Man in the Iron Mask). Add to that the fact that its a serialized novel, having been published in installments over eight months....
