Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Goddess Found is the result of a lifelong quest by the author to reconcile the divine with the human condition . After searching academia, querying Native American storytellers, deciphering, firsthand, Masonic secrets as a Knight Templar, and searching the Mormon temples, the author came to the conclusion that no solution existed. In the midst of despair, the Goddess appeared to him with a message of hope and love that shook the author to his core--the solution to his quest was the feminine divine. Goddess Found begins with a look at the constant influence the Goddess has exerted on humanity despite the efforts of three patriarchal religions to suppress Her. The rest of the book is dedicated to learning to interact with this loving, divine being. Practical applications include understanding symbolic synchronicity and aphorisms, using protections and wards, learning the Goddess s teaching process of reveal and confirm, and recognizing spirit guides and guardians (the spirit guardians on the back cover were drawn by the author s daughter). The author takes us further as we are led to understand the Goddess through psychic and paranormal investigation. The author draws on his Germanic, Scottish and Cherokee traditions, a classical education, and work in the technical and medical fields to keep the storytelling fresh and varied. So let us quest together, let us get sky clad and dance in the rain, let us find Diana the Bright. This book is illustrated. 774pgs.
