Reviews

It is one of my personal favorite publications. Indeed, it actually performs, still an amazing and interesting literature. It has been printed in an exceptionally easy way which is merely soon after I finished reading this book where it really altered me, changed the way I believe.

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A guide to using gamification and game thinking to create engaging experiences for people. This book takes you on journey through the theories on which gamification is built, onto practical advice for building gamified solutions. A book that dances in the space where psychology and game design meet, offering practical guidance to gamification - all tied together with Andrzej s best-in-class categorisation of what works most appropriately for whom. -- Dr Richard Bartle, Professor of Game Design at the University of Essex, Author of Designing Virtual Worlds Andrzej Marczewski s book Even Ninja Monkeys Like To Play gives extraordinary and important knowledge upon the topic of gamification and game thinking strategies. It is a must read for anyone having a beginning interest or even for veterans of the topic. It provides more than a base of information for anyone to pick it up and understand the topic more deeply. -- Dr. Anthony Bean, Ph.D., Video Game Expert and Researcher.
