

## Toward Independence: The Emergence of the U.S. Air Force, 1943-1947

### Book Review

This is the finest publication we have read through right up until now. Better than never, though I am quite late in starting to read this one. It has been written in a remarkably easy way in fact it is only after I finished reading through this book by which it basically altered me, affected the way I think.

(Dr. Gabriella Hayes)
