## PROJECT MANAGEMENT AT WORK: PRACTICAL, RELEVANT RESULTS

iUniverse, United States, 2013. Paperback. Book Condition: New. 228 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The workplace can be a complex and often treacherous place to be, especially for project managers. Many project managers are ill-prepared for organizational intricacies and office politics; in fact, dealing with them can sometimes seem like a project in itself. In this solutions-oriented, narrative guidebook, David, the central character navigates the confusing landscape of project management and learns how to be a successful project manager. Join him on his journey and discover how to initiate a project and see it through-from start to finish; seek out information that will help you manage projects; manage projects even with little experience or direction; and hire and develop the right team members to support your efforts. This guide also provides many templates commonly used in project management in a completed format, creating a simulated learning experience in which concepts are well anchored. What's more, these tips and strategies can help you reduce the stress and anxiety that go along with managing projects in the workplace. From analyzing goals and identifying stakeholders to managing expectations and improving communication, you'll discover everything you need to stay on top of your game with Project Management at Work.
