BLOOD CRAVE

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Headstrong heroine Faith Reynolds returns in this thrilling sequel to the paranormal romance Blood on the Moon! After surviving being kidnapped by a vampire, Faith would just love to focus on some alone time with her hot (though occasionally furry) boyfriend, Lucas. Unfortunately, with a vampire uprising on the horizon and her best friend, Derek, about to wake up and find himself transformed into a half-werewolf, half-vampire being without a beating heart, Faith has a few other things to take care of first. Faith is not without help, in the form of her newfound powers of sensing people's emotions and being able to influence werewolves' actions, not to mention her begrudging but rather helpful boyfriend. Even so, convincing a werewolf packmaster to prepare for an epic battle may be difficult to do without solid evidence. Lose yourself once more in the deliciously suspenseful world of werewolves versus vampires, otherworldly boys with deadly charm, and addictive, spine-tingling action and romance!
