Horse Drawn Carriages (3rd Revised edition)

By D.J. Smith

Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Horse Drawn Carriages (3rd Revised edition), D.J. Smith, There is more than a touch of romance about a coach and horses, whether in a royal procession and drawn by a team of ornately harnessed greys, or a mail-coach clattering over the cobbles of an inn's courtyard, pausing to replace its steaming horses with a fresh team. In the eighteenth century regular stage-coaches linked London with principal towns, and although railways took over long-distance traffic in the nineteenth century, horse-drawn vehicles continued to serve as cabs, station wagons, omnibuses and private conveyances until their eventual replacement by motor vehicles. This book explores the various types and their history and employments, and is fully illustrated.

Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It's been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.
