## BOONS THE CAMP

Calamari Press, United States, 2009. Paperback. Book Condition: New. 185 x 127 mm. Language: English . Brand New Book. Fiction. From the author of the legendary MOTORMAN come two twined novellas--BOONS and THE CAMP. BOONS, co-written with an eccentric and anonymous South African professor of entomology, deals with the cultivation of half-bird half-simian creatures called Boons. The professor travels the world in his search for a Boon he can mate with, perhaps love, and finds Ruthie, the object of his dreams and the subject of his oddball experiments. THE CAMP takes place around a provincial mill that spins sheep s wool into theatrical and Santa beards. In the mill camp, workers live in brutal poverty under Mr. Ganzfeld, a cruelly whimsical boss who lost his nose in a lightning strike and will commit any depredation to find a real replacement, including murder.
