Is Your Face in the Book?

By Damian A. Martinez

Xulon Press. Paperback. Condition: New. 174 pages. Dimensions: 8.0in. x 5.2in. x 0.4in. I need my computer . . . I have to check my inbox. . . I've been looking for this person. . . www.facebook.com Have you ever thought about why social networking has spread like a virus throughout our world Its one thing to say that we like being in close relationships, but to see the rapid spread of social networking, in specific Facebook, shows that something is truly missing in our culture today. Why has social networking become so popular in today's age What are our lives honestly about Is there anything in the world today that can help us get back our true identities In his latest book, Damian reveals what can help us in finding our identities, accepting the truth about who we are, and living out our identities in a world that's lost what it means to truly be yourself. Chapters include Your Face, Notifications, and The Ultimate Friend Request: Confirm Now or Hide. . Using the similes of social networking and Facebook relationships, this book lays out for you the grander scheme of who you are, how to release your creativity,...

Reviews

A really awesome ebook with perfect and lucid reasons. Indeed, it is engage in, still an amazing and interesting literature. I am just very easily could possibly get a satisfaction of reading a composed publication.
