

Seeing Beyond Dementia: A Handbook for Carers with English as a Second Language (Paperback)

By Rita Solomon

Taylor Francis Ltd, United Kingdom, 2014. Paperback. Condition: New. 1 New ed. Language: English . Brand New Book. Highly Commended, BMA Medical Book Awards 2015 This unique guide is specifically designed for dementia carers with English as a second language. It is a concise compendium of current thinking on person-centred dementia care that features sample vocabulary and sentences ideal for working specifically with dementia patients. It focuses on the importance of good day-to-day communication skills and positive interaction between patients and carers during different activities. Whether used as a self-study aid or alongside any of the available training courses, it is a must for all carers with English as a second language working in care homes, hospitals, hospices, home support or any other supporting environment.

Reviews

Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
