## Research Handbook on the Economics of European Union Law (Paperback)

---

By -

Edward Elgar Publishing Ltd, United Kingdom, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. This comprehensive volume comprises original essays by authors well known for their work on the European Union. Together they provide the reader with an economic analysis of the most important elements of EU law and the mechanisms for decisions within the EU. The Handbook focuses particularly on how the development of EU law negotiates the tension between market integration, national sovereignty and political democracy. The book begins with chapters examining constitutional issues, while further chapters address the establishment of a single market. The volume also addresses sovereign debt problems by providing a detailed analysis of the architecture of the EU's monetary institutions, its monetary policy and their implications. The depth and breadth of the Handbook's coverage make it an essential reference for students, scholars and policymakers interested in the complexities of the European Union.
