The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Disciple Publishing. Paperback. Condition: New. 262 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. This book is a compact guide to living your life in Christ. It is a handbook for spiritual growth. Flourish is for longtime believers as well as newer believers who want to be transformed into the image of the Son (Romans 8: 29). It explains many of the important principles for following Jesus. Since the greatest commands are to love God and love others, this book is centered on relationships. It is a sequel to The Road to New Life which explains the essentials of following Jesus; it is helpful but not necessary to read that book. Most of the chapters are short so you can pause and absorb what you have just read. This book can be used for daily devotional or study. In order to make this a good experience for readers, almost every scripture referred to in this book is quoted in full. There are about thirty pages of quoted scriptures and fifteen blank pages at the end for notetaking. Flourish is a collection of what God has taught the author and others over four decades and the author acknowledges that he is still learning how to better live many of these truths. He offers them to you because he wishes he had known all these things when he was younger and because there are few books that summarize the daily Christian walk. The goal or purpose of the Christian life can be stated several different ways: to become Christ-like; to become one with God; to live a Kingdom of God life; to glorify God; and to become a perfect community of believers. At the root, these are all different ways of saying that the Christian life is centered on one thing: love. Flourish looks...
