The writer (for the term author is not the correct one since a term like hearer is probably more correct) was born in North Dakota and grew up in Washington. He worked for the Rosicrucian Order, AMORC in the 1970s and was in charge of international printing and publishing and later shipping and receiving, where he served in the supreme grand lodge and took initiation as well as served on their initiation teams. He was a distant home study member of the group calling itself the Philosophers of Nature when it first formed until it faded; it was founded by Jean Dubuis and run by Russ and Sue House. Then, in 1988, he became devoted to Sri Sathya Sai Baba. He has been a student of private study and meditation practices and a collector...
