

## Unplugged

By Lois Greiman

Random House USA Inc. Paperback. Book Condition: new. BRAND NEW, Unplugged, Lois Greiman, Christina McMullen, psychologist extraordinaire, has problems-not least of which are her needy clients, a schizophrenic septic system, and her sizzling-then-fizzling romance with Lieutenant Jack Rivera. But Chrissy has yet another problem she'd like to ignore: finding her secretary's missing boyfriend. Okay, so she secretly hopes the vertically challenged computer geek has harmlessly departed from Elaine's life-after all, there's no evidence to suggest foul play. But when her razor-sharp instincts, honed by years as a cocktail waitress, start screaming, she'll have to use all her skills to protect Laney and herself from a fate far worse than heartbreak and a little more like murder.
