*Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.*

AUTHORHOUSE, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Contemned, is the story of a scorned woman named Genesis and her revelation after she missed the rapture. The revelation of true evil lying in wait to expose itself within each and every one left on earth. Genesis thought she was a Christian and knew she would be saved. She attended church every Sunday. She is a divorced mother of two kids, a teenage boy called BJ and an eight year old daughter called JoJo. Gen is a hard worker with an average social life. Upon her mother s request, she opened her home to her sister and her two younger children. She thought she was handling the stress just fine. She and her girlfriends were going to DJ s Blue Note Cafe to listen to the poetic sound of spoken words by the featured spoken word artists. It was the true blues scene, the bass player wearing his dark shades, the sax player, oh my God that man is hot, the drummer, and the artists expressing the inner feelings and thoughts she dare not say. It wasn t until the next morning when her son rushed into their home asking, screaming that she realizes something...
